

Annual Christmas Boat Decoration and Light Celebration

Sunday December 15

Come and join us for our Annual Boat Decoration Evening

Let's light up the marina and celebrate the festive season. This year there will be prizes for all boats that are decorated, as well as "Christmas Cheer on the Pier". We encourage all members to have some fun, bring your kids or grand kids and join us in this annual sailing club tradition. What better way to start the holiday season.

Note: This event is very weather dependent so let's hope for dry and calm conditions. The boats will be on display from 4:30 pm onwards till the Pot Luck dinner at 6:00 PM
