

# RACING AWARDS NIGHT 2019

Friday December 13 was a lucky day for Tony Brogan. During a wonderful evening at Bob Jones' and Dorothy Finnigan's house to celebrate the 2019 racing year and hand out trophies, Tony cleaned up on the awards.

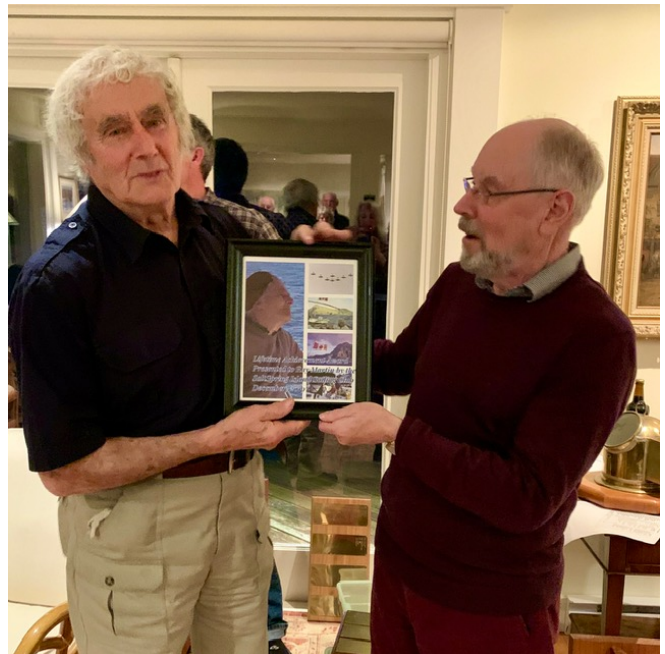

Tony and his J30 *Radiant Heat* swept the podium with wins and other podium placements during the 2019 year of racing. This is the third time he has taken home the *Points Trophy*, each time with a different boat (previously Hunter 35 *Brigantia* and Santana 20 *Cheeky Buoy*). As well as winning races, Tony is also known for his race write-ups, which can still be enjoyed on the website.

The always hotly-contested *Broken Tiller* award eventually landed in Fleet Captain Racing Greg Taylor's lap, for either "heading" or "booming". He can't remember which, likely because it was for when his head connected with the boom.

Commodore Chris Cheeseman was on hand to present trophies, including a special plaque to Ray Martin, crew on Bob Jones' *Oasis*, who was honoured for his lifelong dedication to sailing, a recognition which he shared with his wife Margot Challier.

And *Radiant Heat*'s staunch crew member John Gauld was recognized by Tony for his capable crewing.

# RACING AWARDS NIGHT 2019

Fleet Captain Racing Greg Taylor was thanked for organizing an interesting and challenging year of racing.

*Note:* a complete list of 2019 winners will soon be available on the Club website, once the archiving process is completed.
