

SALTSPRING ISLAND SAILING CLUB

MAY 19 - 21

COUNTDOWN BULLETIN

SISC Members Update #1 – January 2023

The Race is On!

The 2023 Round Saltspring Race committee is gearing up for the Club's biggest event of 2023 – our 48th Round Saltspring Race on the May long weekend. We want this to be the best Round Saltspring ever with up to 110 race boats and a new human-powered division. We'll be counting on Club members to get involved and join in the fun!

All Hands on Deck

One of the reasons the Round Saltspring Race has been called "the coast's favourite regatta" is the great hospitality we show to our guests from our neighbouring clubs. It's much more than a sailing race, it's a whole weekend of social events, and all SISC Club members are welcome to attend, especially the Friday night BBQ. Even better, become a Round Saltspring volunteer and you'll get an extra party afterward at our Volunteer Appreciation Event!

Weekend Highlights

This year, we're planning our traditional Friday Night Barbecue with a very special menu, no-host bar and live music and dancing. Saturday morning the docks will be buzzing as racers get ready for the first start at 10:00. Sunday morning's popular Pancake Breakfast will be followed by the Racing Awards Ceremony.

So whether you plan to race, volunteer, or just join in the party, mark your calendars now for the 2023 Round Saltspring weekend!
