Following their recent win at the Royal Victoria Yacht Club Fall Dinghies Regatta in September, **Izzi Pugh Aucoin** and **Reuben Sol**, from SISC's junior racing program, finished third at the Pumpkin Bowl Regatta in late October.

Izzi and Reuben with the pink spinnaker.

The Pumpkin Bowl Regatta was hosted by the West Vancouver Yacht Club and drew sailors from across BC, Alberta and the Pacific Northwest, including the US. Sailors aged 7 to 20+ competed over two weekends – October 14-15 and 21-22 in more than 50 dinghy and double-handed races, run over four courses. This was an excellent racing experience for SISC racers to challenge their dinghy racing skills.

Izzi and Reuben raced over two days, facing big rollers the first day and windy conditions the second. They raced in a competitive field of fourteen 420 dinghies from across the Northwest.

Huge congratulations to the racers and to the SISC junior racing program. Thanks to the RVYC for helping to support the SISC team at the race.
