

JANUARY PUB NIGHT

Around 35 members showed up at the first pub night of 2024 on Friday evening, January 26. The event, rescheduled from January 19 because of the snowfall, was hosted by **Michael and Lynn Clark**.

They had great support from their team of **Döerte Janssen, Julie van Soeren, Cheri and Stewart Reid, Karen and Kim Laidlaw** (behind the bar), and **Diane Lugsdin**.

For many members there was a host of familiar faces, perhaps overriding the need for name tags (although several people still found them a good idea). Although not a large crowd, there was a high level of engagement and chatter in the room, around the conveniently scattered bistro pub tables.

Dorothy and Karen got the memo about wearing beige sweaters.

JANUARY PUB NIGHT

Commodore David Wood spoke to thank everyone for coming and to express appreciation for the team's work in hosting the event.

Michael and Stewart worked the barbecue, grilling rows of quite delicious bratwurst to put onto buns. Condiments and coleslaw rounded out the offerings. Kim presided over a keg of local SS Brewery draft beer, which was much appreciated.

The next pub night is scheduled for February 16, with a pink and red Valentine's and Greek theme. We hope to see lots of members show up for that one!
