

Thanks to Reciprocal Officer Karen Laidlaw for this analysis of our reciprocal visitor numbers over the past eight years. Our success is due to our Daily Wharfingers, who helpfully welcome our reciprocal visitors over the summer months. We are a very well-regarded reciprocal destination because we make it so pleasurable for people to visit our club.

SISC RECIPROCAL VISITOR ANALYSIS

Reciprocal Visitors	2015	2016	2017	2018	2019	2021	2022	2023
Vancouver Island								
CFSA Esquimalt	25	16	16	16	21	16	15	7

Non Reciprocals			15	14	17	6	13	17

When visitors stay at our marina, they are required to complete a Reciprocal Registration form. Since 2015, this information has been recorded on a spreadsheet in order to keep track of where visiting reciprocals are coming from. There are few interesting things to note:

- pre-Covid visit numbers were higher and have yet to recover
- in 2020, there were 0 visitors because our marina was closed to all visitors
- in 2021, visitors were limited to BC residents and the marina was closed to US visitors
