

Round Saltspring Race 2024

Message to Members from the Wharfinger

April 11, 2024

Round Saltspring '24 is not much more than a month away, and the normally-busy task of organizing moorage for Club members takes on a whole new dimension as we welcome up to 100 more boats on the May long weekend. This message is two-part:

1. I will need to know what slips will be available for visitors. If you know your slip will be vacant on the May long weekend, please let me know (wharfinger@saltspringsailing.ca) as soon as your plans firm up. You could be out on the "Clear the Slips" cruise or just out for the weekend, or possibly not even have your boat in the water yet. Because we will be needing to clear the north side of D dock and inside F dock to accommodate racers, there's a good chance your slip will be occupied by a displaced Club member.
2. On Friday May 17, arriving boats are greeted and assisted by our dock crew. If you'd like to join this elite crack team (rivalling the likes of Navy Seals, Mission Impossible Squad, Ocean's Eleven, Jedi Knights...) please contact me at wharfinger@saltspringsailing.ca by the end of April. There is no sign-up for this crew on the RSS volunteer site, as scheduling shifts calls for advance planning with military precision.

Bo Curtis, wharfinger@saltspringsailing.ca
